

To our customers,

As we work together to prevent the spread of the coronavirus (COVID-19), our team at First Community National Bank remains committed to maintaining a safe and healthy environment for our employees, customers and communities, while supporting our businesses and families with essential banking services.

With this in mind, we wanted to share several resources that may be helpful:

- **COVID-19 Resource Center** – We have launched a resource center to provide you with current information including location information, digital banking solutions, links to vital websites and open communications. Discover online at [fcbn.com/events](https://fcbn.com/events)
- **Protecting Your Money** – The best place to protect your money is in an FDIC-insured bank where it's safe and sound. FDIC insurance covers up to \$250,000 per depositor per FDIC-insured bank. Learn how your money is safeguarded at [fdic.gov/deposit](https://fdic.gov/deposit)
- **Small Business Relief** - The U.S. Small Business Administration is offering Economic Injury Disaster Loans to assist small businesses, providing vital economic support to help overcome the temporary loss of revenue. To learn more, visit [sba.gov/coronavirus](https://sba.gov/coronavirus) or speak to one of our Commercial Loan Officers.
- **Fraud Prevention** – During times of uncertainty, scammers will attempt to take advantage of fears surrounding a crisis. Be on the lookout for phishing attempts to get your financial information and remember we will never ask for your password or pin. For more helpful tips, visit [ftc.gov/coronavirus](https://ftc.gov/coronavirus)

For your convenience, all bank locations are providing drive-thru services Monday thru Thursday, 8 AM to 5 PM, Friday 8 AM to 5:30 PM and Saturday 8 AM to Noon. Our ATMs and digital banking solutions are available 24/7. Please contact us for assistance with your financial needs.
